Investigation of Suspension and)
Revocation of Certificate No. 369)

Case No. MP-2004-151

This matter is before the Commission on respondent's request for an extension of time to respond to Order No. 8235, served August 24, 2004, which revoked the \$3 million excess WMATC Insurance Endorsement currently on file for respondent, effective September 23, 2004. This is respondent's first request for an extension.

Respondent's \$3 million excess WMATC Insurance Endorsement expires March 1, 2005, and has not been cancelled in writing in accordance with Commission Regulation No. 58-07 or terminated by replacement in accordance with Regulation No. 58-08. Thus, until one of those events occurs or the revocation announced in Order No. 8235 takes effect, that endorsement remains effective. Once the revocation takes effect, however, Certificate No. 369 shall stand suspended pursuant to Regulation No. 58-02, unless respondent files the necessary replacement WMATC Insurance Endorsement(s) beforehand.

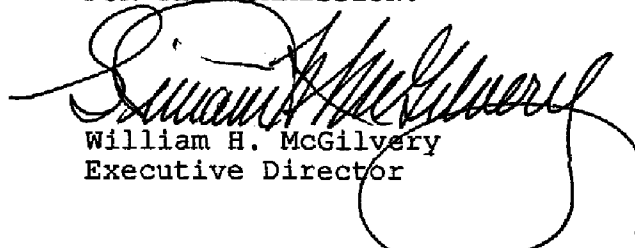

Because the resolution of this proceeding involves the interpretation and application of a Federal Motor Carrier Safety Administration insurance regulation adopted by Regulation No. 64,¹ and a full briefing of the issue would be helpful, the request shall be granted for good cause shown pursuant to Commission Rule No. 7-05.

THEREFORE, IT IS ORDERED:

1. That the revocation of respondent's \$3 million excess WMATC Insurance Endorsement is hereby extended thirty days from the date of this order.

2. That Certificate No. 369 shall be automatically suspended under Regulation No. 58-02, and subject to revocation pursuant to Article XI, Section 10(c), of the Compact, if respondent fails to file the necessary replacement WMATC Insurance Endorsement(s) within thirty days.
